

Product Information:

## **ACTION MX4 10W-40**

### **4-STROKE MOTORCYCLE ENGINE OIL**

#### **Description**

Action MX4 10W-40 is a high performance competition engine oil based on the latest developments in additive technology. This grade is a semi-synthetic that has been formulated specifically to cope with the tough demands of off-road motorcycle engines and gearboxes. Under these conditions, maximum component protection and cleanliness is of the utmost importance. Excellent anti-wear performance, rust and corrosion control and stay-in-grade characteristics ensure longevity, reliability and efficient operation. Action MX4 10W-40 will circulate quickly from cold and provide a strong lubricating oil film at high temperatures.

#### **Applications**

Action MX4 10W-40 is recommended for the majority of high performance off-road four stroke motorcycles, where a product of this type and specification is demanded. This grade is also suitable for gearboxes where a SAE 10W-40 is required.

#### **Performance Levels**

API SL

JASO MA2

#### **Physical Characteristics**

Density at 15.6 °C	0.870
Kinematic Viscosity at 100 °C, cSt	14.06
Kinematic Viscosity at 40 °C, cSt	127.75
Viscosity Index	150
Flash Point (Closed) °C	200
TBN, mg/KOH/g	10.50
Pour Point, °C	-27
