Lubricants - Engine Oil - Passenger Car Motor Oils

Version: 055/04

Valvoline™ All-Climate Extra motor oil SAE 10W-40

High performance synthetic blend motor oil – Especially engineered to meet the demands of both (turbo)-diesel and petrol engines

All-Climate Extra Motor Oil SAE 10W-40 Offers increased engine protection and cleans the engine. All-Climate Extra resists and reduces oxidation and it prevents sludge formation in engines and turbo-chargers. Meets the performance requirements of major engine manufacturers.

Performance levels

SAE 10W-40
API: SM, SN/CF
ACEA: A3/B4-10

MB-229.1

Recommended by Valvoline for use in engines specifying VW 505.00 or VW 501.01

Recommended for use where Fiat 9.55535.D2 and G2 is specified.

Renault RN 0700

Applications

High performance partly synthetic engine oil formulated to protect turbo and non-turbocharged diesel, petrol and LPG engines.

The product meets the API SN specification and with that it offers fuel economy to passenger car engines even when running on E85 fuel.

Can be used in passenger cars, light trucks, garden equipment, agricultural equipment, pleasure boats, stationary engines, etc.
Also suitable for industrial equipment such as telehandlers or forklifts.

Features and Benefits

Multi-Purpose use

Suitable for many cars, vans, and other equipment operating in all conditions.

Cold starts

Multigrade engine oil guarantees a quick cold start in winter and instant protection.

Increased engine protection

Strong oil film protects the engine against wear and corrosion also in hot climates.

Engine cleanliness

Advanced detergent additives keep the engine clean and in good condition. Prevents black sludge.

Deposit control

Exceeds manufacturer performance requirements to offer superior deposit control.

Breakdown resistance

Thermal and oxidation stable oil film resists oil breakdown.
