

NESTE OIL

NESTE CITY PRO LL 5W-30

Fully Synthetic engine oil for GM cars: Opel and Saab

SAE 5W-30

GM-LL-A-025 (gasoline engines)

GM-LL-B-025 (diesel engines)

ACEA A3/B4

API SL, SJ/CF

VW 502.00/505.00, MB 229.5, BMW Longlife-01

Recommended for use where Fiat 9.55535.G1 is specified

Neste City Pro LL 5W-30 is a fully synthetic high performance motor oil especially developed for the Opel and Saab engines, which require special oil meeting GM-LL-A or B-025 specifications and in Opel case use ECO Service-Flex System.

The oil exceeds the new GM Long Life engine oil specifications GM-LL-A-025 for Opel and Saab gasoline engines and GM-LL-B-025 for diesel engines.

Maximum oil service interval in new Opel models is two years or 30,000 km (gasoline engines) and two years or 50,000 km (diesel engines).

Numerous cold starts, driving in urban traffic or constant high speeds will shorten the service interval accordingly. On-Board Indication of Service and calculated kilometers to next service will be displayed in the Eco Service Flex System. Neste City Pro LL 5W-40 -oil can be used also in older Opel -cars. The drain intervals according to service book of the cars are recommended.

In Saab models, where the GM-LL-A-025 or GM-LL-B-025 oil is required, maximum oil service interval using Neste City Pro LL 5W-30 is 30 000 km or one year. The oil can be used also in older Saab cars. The drain intervals accordig to servicebook of the cars are recommended.

Top up in Opel and Saab -models using only oils of the quality grades GM-LL-A-025 or GM-LL-B-025.

Neste City Pro LL 5W-30 is suitable for other gasoline and diesel engines of passenger cars and vans when VW 502.00/505.00, MB 229.3, BMW Longlife-01, ACEA A3, B3, B4 or API SL, SJ/CF standards are required.
