

## NESTE CITY PRO 0W-40

Fully-synthetic gasoline and diesel engine oil for passenger vehicles

SAE 0W-40  
ACEA A3/B4  
API SN/CF  
VW 502.00/505.00  
MB 229.3 and 229.5  
BMW LL-01  
Renault RN 0700/0710

Neste City Pro 0W-40 saves engine and fuel. It is suitable for all modern passenger cars and vans with gasoline or diesel engines.

Neste City Pro 0W-40 is a fully-synthetic oil developed especially for low temperature conditions. It has good lubrication properties in extreme conditions. It meets the quality requirements of modern highly advanced clean burning engines and car manufactures.

With fully-synthetic Neste City Pro 0W-40, oil lubrication starts right away during cold start. A wide viscosity range and a synthetic base oil guarantees a durable lubrication film, good engine cleanliness and a high degree of protection against wear. Low friction oil saves fuel and does not harm the environment.

TYPICAL CHARACTERISTICS	0W-40
Density kg/m <sup>3</sup> 15°C	860
Flash Point °C (COC)	220
Pour Point °C	-54
Viscosity Index	181
Viscosity cSt/ 40 °C	80
Viscosity cSt/ 100 °C	14
Viscosity cP/ -35 °C	5500
Borderline pumping temp. °C	-45

Neste City Pro 0W-40 is recommended for year-round use in gasoline and diesel engines of passenger cars in all conditions. Its advantages are particularly evident in modern cars, both in winter and summer conditions. It guarantees reliable engine operation and an easy start-up required by catalytic converters, low oil consumption and engine cleanliness.

Neste City Pro 0W-40 oil can also be used in older engines, and can be blended with all known engine oils.
