

Cosmoline® 1116

Meets military specification MIL-PRF-32033 lubricating oil, general purpose preservative, water displacing, low temperature

DESCRIPTION

Cosmoline 1116 is a general purpose lubricating oil with rust inhibiting additives. **Cosmoline 1116** is recommended as a lubricant and corrosion protectant for small arms, or wherever a multi-purpose, low temperature oil is required.

FEATURES / BENEFITS

- Thin film protects your parts without excessive carry-off which reduces usage and cost.
- Low-odor nature of the products optimizes worker acceptance.
- The high flash point reduces the potential for flammability and may reduce fire insurance premiums.
- Meets or exceeds military specifications which allows for government and military applications.

DATA (TYPICAL VALUES)

Flash point	275°F
