

2-stroke motorcycle engine oil

Product Description

Dragon 2T MOTOR OIL is engine oil that is suitable for 2-stroke motorcycles, scooters and moped. It has been designed to deliver excellent detergency, thick oil film, anti-wear and anti-corrosion performance.

Applications

- All types of two stroke motorcycle engines of all cubic capacities : motorcycles, scooters, mopeds
- Adapted for gear boxes lubrication and oil immersed clutches For premixing with gasoline at the ratio recommended by the engine capacities manufacturer

Features and potential benefits

- Combustion control : the strong and efficient detergent additives ensure that the distribution system remains clean. The engine retains its initial efficiency
- Reduction in exhaust smoke : the special solvents and polymers it contains help reduce emissions
- Makes a permanent oil film, preventing any risk of seizure of binding
- Burns without leaving any sticky deposits
- Avoids sparks plug fouling
- Very good anti-corrosion, anti-rust and anti-wear properties
- Prediluted to ensure a stable and homogeneous mixture

Performance level

- API (AMERICAN PETROLEUM INSTITUTE) : API TC
- JASO (JAPANESE AUTOMOTIVE STANDARDS ORGANIZATION) : JASO FC

Typical Properties

Test Items		Method	Unit	Result
Specific gravity		ASTM D1298	-	0.869
Color			-	Dark Blue
Viscosity	40°C	ASTM D445	cSt	47.6
	100°C	ASTM D445	cSt	8.1
Viscosity index		ASTM D2270	-	142
Flash point		ASTM D92	°C	114
Pour point		ASTM D97	°C	-35
