

GEAR OIL GX 80W - 90
GEAR OIL GX 85W- 140
GEAR OIL GX 75W - 90

DESCRIPTION OF PRODUCT

GEAR OIL GX 80W- 90 and GEAR OIL GX 85W-140 are blended from high-quality base oil and contains an optimum balance of additives which ensure excellent product performance in most conditions.

GEAR OIL GX 75X-90 is blended from high-quality **synthetic base** stock.

BENEFITS

- Wide range of applications.
- Excellent load-carrying ability for intended service.
- Meets performance levels of United States Military specification MIL-L-2105C, and API GL-5.
- High oxidation stability.
- Low foaming.
- Good corrosion protection.

APPLICATION

GEAR OIL GX 80W 90 and GEAR OIL GX 85W-140 are developed for manual transmissions and gearboxes, standard differentials, manual steering boxes, final drives, universal joints and all other automotive units where API GL-5 gear oils are recommended.

SPECIFICATIONS

API GL-5 / MIL L- 2105C
