

## Granville Gold 15W/50

1 Litre

### Product Description

Granville Gold 15W/50 is a premium multi-grade engine oil formulated to the highest specifications, suitable for use in older petrol and diesel engines both turbo and naturally aspirated that use older engine technology with larger clearances.

### Product Benefits

- \* Ensures lubricant performance
- \* Excellent high & low temperature performance
- \* Ideal for older vehicles

\* Image for illustrative purposes only.

### Product Usage

For engines where this specification lubricant is required.

Size	Part No	Barcode
1 Litre	0165	5020618001652

### Directions for Use

As recommended by the engine manufacturer.

### Storage Instructions

Keep sealed in a cool, dry place.

### Shelf Life

5 years from date of manufacture.

Appearance	:	Amber liquid
Odour	:	Characteristic
Specific Gravity	:	0.873 @ 15.6°C (typical)
Solubility	:	Insoluble in water
Flashpoint	:	>200°C
Kinematic Viscosity @ 40°C	:	129.7 cSt (typical)
Kinematic Viscosity @ 100°C	:	16.9 cSt (typical)

### Safety Precautions

Please see our latest EC Safety Data Sheets for details.
