

## General Description :

**MOTORSYNTH SV 10W-40** is an enhanced, premium, semi-synthetic engine oil, designed to provide an excellent level of protection and performance.

**MOTOR SYNTH SV 10W-40** provides:

- Excellent wear protection
- Excellent engine cleanliness
- Excellent high temperature protection
- Excellent cold temperature protection
- 

**MOTORSYNTH SV 10W-40** is formulated to give you confidence of protection beyond that of conventional oils. We particularly recommend **MOTORSYNTH SV 10W-40** if you occasionally experience demanding driving conditions:

- Nearly all engine technologies
- Gasoline and Diesel
- Passenger cars, SUV's, light trucks and vans
- Highway cruising and stop and go city driving
- Normal to occasionally severe operating conditions
- High Performance Engines

Always consult your owner's manual to check recommended viscosity grade and specifications for your particular vehicle.
