LUBRIPLATE "OIL WELL" IN A BOTTLE

New Non-Aerosol Hand Pump Spray Bottle

LUBRIPLATE "Oil Well" in a Bottle is a lubricating, penetrating and cleansing fluid designed for a multitude of applications.

The moisture displacement properties of LUBRIPLATE "Oil Well" in a Bottle make it an excellent choice for "wet start" applications.

LUBRIPLATE "Oil Well" in a Bottle possesses exceptional rust-proofing properties. Its light viscosity promotes excellent wetting characteristics which quickly spreads to cover the applied area.

LUBRIPLATE "Oil Well" in a Bottle hand pump spray does not contain Fluorocarbons or 1,1,1-Trichloroethane. This new non-aerosol formula is non-flammable and does not contain any solvents or propellants which gives you 100% lubricant for your money.

Typical Uses Include:

- S - Chains
- S - Cables
- S - Locks
- S - Hinges
- S - Latches
- S - Slides
- S - Rusty Nuts and Bolts
- S - Moisture Displacement

(Over)
