

Granville Power Steering Fluid & Conditioner

500ml

Product Description

Granville Power Steering Fluid will stop and prevent leaks in power steering systems by conditioning the seals. It will also help to prevent power steering squeals and chatter and protect against pump breakdown caused by wear, foaming & oxidation.

Power Steering Fluid can be used as a top up for the system where a manufacturer recommends this fluid. Not suitable for vehicles where a central hydraulic fluid is required.

Recommended for use by Granville for the following manufacturer's specifications
ATF Dexron II

Product Benefits

- * Conditions seals and prevents leaks
- * Helps reduce power steering noises

Product Usage

For all power steering systems where an ATF Dexron type fluid is required.

Directions for Use

Remove power steering fluid reservoir cap and top up fluid to the required level.

Dosage Information

Top up as required.

Storage Instructions

Keep sealed in a cool, dry place.

Shelf Life

3 years from date of manufacture.

Appearance	:	Red liquid
