

## SUPERLUBE T-1 15W40

### Product Description

**Superlube T1 15W40** is a multipurpose, high quality, heavy duty, multigrade oil. Based on proven additive technology in combination with highly refined base stocks it is designed for duty diesel engines operating at frequent oil drain intervals. Suitable for light duty naturally aspirated diesel engines including small stand-by power generators and as a running-in engine oil. Also for use as a hydraulic fluid in plant off-highway equipment or as a generator engine oil. Choice of viscosity grade should be based on equipment manufacturer's recommendations.

### Specifications

VW 505.00	MAN 271	CCMC D2/G2
MB 227.1	API CD/SF	

### Features and Benefits:

- Protects against oil thickening, high temperature deposits, and corrosion.
- Effective TBN reserve to neutralize corrosive acids and control deposits.
- Low sulfated ash content to minimize valve deposits extending valve life.

### Typical Properties:

	<b>Superlube T1- 15W-40</b>
Density at 15 C	0.890
Viscosity at 40 C /Cst	115
Viscosity at 100 C /Cst	15
Viscosity Index	130
Flash Point C	210
Pour Point C	-15
TBN	11.0
